Welcome

The Idaho Transportation Department (ITD) is studying Idaho 44 from the city of Eagle to I-84 in Caldwell to determine future improvements. This study is called the *Idaho 44 Corridor Preservation Study*.

The purpose of today's meeting is to give property owners potentially impacted by this project an opportunity to:

- **Review the preferred option being considered to improve Idaho 44**
- **Speak with a representative from the ITD**
- **Learn next steps in the study process**
